Monuments and markers are the personal property of the owner. The placing of monuments and markers is done so at the owner's risk. The owner assumes all liability and costs for maintenance and repairs. The owner must keep their monuments and markers in a condition that is safe and does not create a hazard for visitors to the Cemetery.

- No marker may be placed without approval of Park City Municipal.
- Monuments require a signed work order by the installer.
- No marker will be placed at the cemetery **October 31 – April 15**.
- All markers require a hold harmless agreement waiver.
- Any upright marker must have a minimum of a 9" dowel for stability.
- There is no height restriction, but all uprights should be approved by the Cemetery Sexton
- Upright markers and benches require a 4-6" cement border.
- Secondary markers should be flush.
- Benches must be approved by the Cemetery Sexton.
