**STEP 2)** Locate “options menu” based on your specific model. For Samsung, it is at the bottom left of the front of your screen next to “Home” button.

**STEP 3)** In your options menu click “Add shortcut to home”. Close your web browser and a new shortcut will appear in your first available page.

You might need to scroll through your pages to find the newly installed shortcut. Logos might differ. Look for “myStop”. You can drag and drop the new shortcut into any one of your pages and re-arrange the order.
