

## Calling Feature

This service is available for all users, particularly users that may not have texting or internet capabilities on their phone or at home. With the call feature, users can hear next bus departure information of every bus servicing the bus stop of their choice, in real time. Users can stay on the line and get information for as many different stops as they choose.

**CALL 435-615-5303**

- Listen for voice prompt
- Enter Bus Stop ID
- Hear Next Bus Info
