

STEP 1) Open up your internet browser and go to our website at go.parkcity.org or scan the attached QR Code.

Android Mobile Link

STEP 2) Locate “options menu” based on your specific model. For Samsung, it is at the bottom left of the front of your screen next to “Home” button.

STEP 3) In your options menu click “Add shortcut to home”. Close your web browser and a new shortcut will appear in your first available page.

Track Park City Buses In Real Time

Simplify Your Transit Experience

- Track Buses
- View Stop Information
- Plan Your Trip
- Set Rider Alerts
