

FIREWORKS & OPEN FLAMES PROHIBITED IN PARK CITY through October 31st

BE FIRE SAFE

July 4th Fireworks Display at Park City Mountain Resort

Grab a blanket and join your friends and neighbors at dusk!

The fire danger is high in Park City. Warm temperatures, high winds and dry vegetation have significantly increased the threat of wildfire. Fireworks, explosive devices and open fires are direct threats to the safety of our entire community. Park City Municipal Corporation has enacted emergency ordinances prohibiting the discharge of fireworks and open fires to reduce the risk of wildfire for the 2015 fire season. Violations of this ordinance are a Class B misdemeanor and may result in fines, jail time and cost recovery of fire fighting expenses.
