

McPolin Barn Structural Upgrades
Pre-submission Meeting 11/03/15
Questions from Meeting

Q: Does the HDDR Plan give specifics on what is required?

A: The draft is attached on the website. The City is looking to bring the building up to code and to restore/replace the windows. The intent is to make minimal changes. No changes to outside except windows.

Q: Occupancy or tours with snow load?

A: No. Only open seasonally.

Discussion on Building Code vs. Dangerous Building Code. Not an assembly use but rather tours or people can enter and view. The team will need to clarify bring up to Building Code and the invasiveness of the structural improvements.

Q: Any other structures on the site included in the proposal?

A: No, just the Barn.

Q: ADA access?

A: Partially. Enough for the main level of historic barn.

Q: Upgrades to fire suppression or electrical?

A: Fire suppression as is. May need additional lighting for tours.
