Re: FIELD TRIP TO SWEENEY'S MPD SITES

Please be prepared to leave from the Marsac Office Building promptly at 6:30 p.m. Wednesday, July 10, 1985. Attached to your normal packet, you have a reduced copy of the preliminary Large Scale MPD concept plan. Please take a moment to examine this information and begin to envision what is being proposed on each of the development sites. Given an anticipated build-out period of twenty (20) years, we should focus on the resolution of the key issues as they relate to the overall approach to development.
