

**ROSSI HILL DRIVE RE-CONSTRUCTION  
DESIGN AND CONSTRUCTION MANAGEMENT  
PARK CITY, UTAH**

Park City is soliciting Statements of Qualifications/Proposals from Professional Consulting Engineering Firms to provide consulting services for Park City for the Rossi Hill Drive Re-Construction Design and Construction Management Project. Rossi Hill Drive is a residential street in Park City. The project is part of the Old Town Infrastructure Study (OTIS) and will include design and construction services for improvements within the general area of Rossi Hill Drive and Coalition View Court. Proposed improvements generally consist of the extension of an existing water main, milled and re-surfaced roads, extension of the storm drain system and coordination with dry utility companies, evaluation of traffic and regulatory signs, and street lighting. The Request for Qualifications will be available beginning at 2:00PM, August 7, 2017. Please contact Jennifer Byrd, Park City Municipal Corporation, City Engineer's Office via e-mail at [jbyrd@parkcity.org](mailto:jbyrd@parkcity.org) to request a proposal. Proposals will be due by 4:00PM, August 24, 2017. Park City reserves the right to reject any or all proposals and to waive any minor irregularities in any proposal.
