Hello,

I have owned and lived at 906 Lowell Ave, almost at the curve where the development starts. We are very concerned at the size of this development, It will impact all of Old Town & PC for many years, as construction is going on and after it is complete. There will be a lot of noise, dust, dirt, destruction, wildlife, traffic, inconveniences to Lowell, Empire and 8th street mostly. All for a huge development that will probably sit empty most of the year like the other large hotel resorts in our town.

Do we really need another enormous Hotel? Will it be worth it?

We all came to PC, Old Town, to live in a quaint charming town. This will change our town dramatically and could ruin it. Our tourists come to Old Town area for the Charm and Beauty and quaintness, the Treasure Hill Project is much to Big, it will take over the town. We feel the design is awful and the scale far to large, it will be an eye-sore to the tourists and for sure the Locals.

Please take this into consideration, we DO NOT WANT TREASURE HILL....

Thank You,  
Leslie Poulin
