## SUNDANCE FILM FESTIVAL TRANSPORTATION TIPS

- Plan Ahead - Give yourself extra time and know where and how you are getting there.
- If you are driving, be ready for winter weather. If you are walking remember to bundle up and wear winter appropriate shoes.
- Take Transit and Carpool - help reduce traffic and congestion.
- Don't cut through residential neighborhoods. It just isn't nice.
- Turn your key and be idle free. Help reduce car emissions by turning your car off when waiting, carpooling, taking transit, and walking.
