

SEAC has made several recommendations regarding events over the past year. SEAC's goals in 2018 include gaining community input/feedback and completing a Community Special Event Survey.

Recommendation from SEAC for advice regarding future Event Approvals on 4/18:

- Not approve more events in shoulder seasons (4/15 to 6/15 & 10/31 – 12/15).
- Not approve more events unless compelling community benefit.
