

**Quinn's Junction Park and Ride Alternative Evaluation and Final Design
Park City Solicitation Number 07022018
Questions and Answers Regarding Request for Proposals**

Question 1: What is the estimated construction cost?

The cost of construction has not yet been estimated. It will be based on the site evaluation conducted by the selected consultant.

Question 2: When will contractor bidding begin?

A bidding date has not been determined and will be dependent on available construction funding.

Question 3: When is construction projected to start?

A bidding date has not been determined and will be dependent on available construction funding.

Question 4: What is the estimated project value?

The cost of construction has not yet been estimated. It will be based on the site evaluation conducted by the selected consultant.

Note:

The Request for Proposals was posted on the Park City website (<http://www.parkcity.org/government/current-rfps-and-bids>) on Monday, July 2, 2018. Questions were due to Julia Collins, at Julia.Collins@parkcity.org or via facsimile to: 435-615-4901 by 5:00 p.m. MST, Friday, July 6, 2018.
