Anya, please let this serve as my objection and hope that this cup is turned down. Having 4 children and allowing a rooftop bar with amplified music until 10:00 PM is absolutely crazy. It's bad enough with High West emptying their beer bottles all night and early morning but this makes no sense. Please modify the CUP and not allow this. Many thanks.

Everyone,

Thank you for continuing to follow the status of the Conditional Use Permit (CUP) at the historic Kimball Garage. Please be aware that we will be holding a meeting with the Planning Commission next Wednesday, October 10th to continue the review of the remand. Attached is a copy of the mailing notice. I will send you all a copy of the staff report when it is published later this week.
