

# Park City Transit

## Help us limit the spread of COVID-19 (Coronavirus).

We're disinfecting our buses and transit centers **daily**, but you can do your part and:

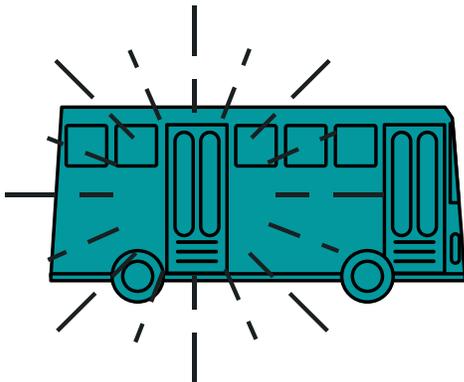

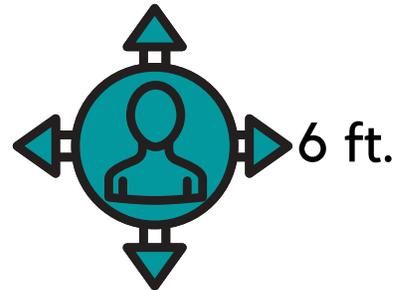

### 1. Wear a Mask/Face Covering

Masks are **required** while riding or waiting for the bus. Any face covering that completely covers the mouth and nose is acceptable.

### 2. Practice Social Distancing

If possible, leave at least **six feet** between you and other passengers while riding.

### 3. Use the Rear Door

If you don't need the ramp, help protect our drivers and board or exit through the **rear door only**.

Passengers experiencing COVID-19 symptoms with no other travel options are asked to use On-Demand service for essential travel by dialing 435.640.7819.
