**Re:** Park City Municipal Corporation Service Provider/Professional Services Agreement Intent to Extend the Contract Agreement.

Chris and Jenny:

I would like to take this opportunity to thank both of you and the entire Park City community for allowing Kane to provide their services over the last several years. I and my team really enjoy working with all the Park City Departments. We would like to offer our services again for the upcoming 2021 year.

We look forward to working with you and the entire Park City Team.

Sincerely
