Exhibit A: Determination of Substantial Health and Safety Risk

The Board Chair has determined that conducting a meeting with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location. Utah Code section 52-4-207(4) requires this determination and the facts upon which it is base, which include:

- Statewide COVID cases and hospitalizations are increasing;
- Summit County has extended its Emergency Declaration and Public Health Emergency Declaration through January 8, 2021;
- Based on metrics established by the statewide COVID-9 Transmission Index, Summit County moved to the High Risk designation on October 22, 2020;
- The start of the new school year has compounded the potential for increased exposure within the community; and
- Park City is a resort community continually hosting visitors from areas which may be experiencing rapid COVID-19 spread.

This determination is valid for 30 days, and is set to expire on December 10, 2020.

Dated November 6, 2020.
