

Leadership Park City Announces Class 27 Roster

Leadership Park City celebrates the graduates of Class 26 and welcomes members of Class 27

Park City, Utah (January 4, 2021) — Leadership Park City is proud to announce the members of its 27th Leadership Class. The selection committee chose 35 class members from an impressive group of over 90 applicants.

Applicants hailed from Summit, Wasatch, and Salt Lake Counties, though all have some connection to Park City through their work or personal life. “We are proud of Class 26 on their graduation and accomplishments during a difficult year, and excited to welcome an outstanding Class 27,” said Myles Rademan, Leadership Park City founder and director.

Candidates who were not selected for this year’s class are encouraged to reapply in 2022. This year, the Leadership program includes three virtual events open to the public: “Day at the Capitol” on the morning of January 25th, the Community Leadership Lecture on the evening of March 22, and a one-day “Leadership 101” class on Friday, April 16th. All are encouraged to attend. Participation details will be available a week prior to each event.
