Car Fee Sundays – Shop, Dine and Stroll

Through a City Special Event Permit Park City’s Main Street will be car free to allow businesses to expand outdoors. The event will be held on Sundays from June 6, 2021 through September 26, 2021, excluding August 8 from 7 a.m. to 10 p.m. Patrons will be able to support businesses in the additional outdoor space. Businesses that do not have a brick and mortar space within the Main Street Business District will not be permitted to participate.

We encourage businesses to get creative while preserving our small town character. Social distancing measures are paramount. We look forward to hearing your ideas. Please refer to the Participation Form and General Guidelines if you are interested in using a sidewalk or parklet to expand your business. To be eligible to participate, your business must be within the Main Street Business Improvement District, have a valid Park City Business license and you must complete a Participation Form.

Temporary Outdoor Dining and Retail Activity in Public Rights-of-Way

Park City Municipal is allowing restaurants and retail businesses to expand into the public spaces adjacent to establishments on Main Street on Sundays from 7 a.m. to 10 p.m. Stores with Main Street frontage will be prioritized. This includes sidewalks and parklets. Businesses are authorized to move operations outdoors into an adjacent public space. If businesses use a privately owned space (not public property), they must have the private property owner’s permission. Any set up may begin at 7 a.m., and any set up materials stored in curb space (not blocking road) must be placed by 7 a.m. and removed at 10 p.m. Parking on Main Street will be removed, and Main Street will close on Sunday mornings at 7 a.m. and reopen at 10 p.m. on Sunday night.

Types of public spaces used for this purpose:

Sidewalks

Main Street businesses are allowed to temporarily use sidewalks for additional restaurant seating, patron lounge, retail or light programming purposes.

Parklets

Parklets are on-street parking spaces that are temporarily converted for other uses, such as expanded outdoor dining, patron lounges, retail or light programming purposes.

Other Public or Private Property within the Business Improvement District

If you have identified another public property location where your business may want to operate outdoors and are part of the Main Street Business Improvement District, please contact Jenny Diersen at 435.640.5063.

Temporary barrier materials, such as those depicted below, are encouraged to better define boundaries of extended business operations. Defined areas are only required for those serving alcohol. Safe pedestrian

pathways, fire lanes and ADA requirements must be met at all times. For questions relating to barrier wall placement, please call the City Building Official's office at 435.645.5100.

General Guidelines & Participation Form

Aesthetics & Getting to Know Your Neighbor

Outdoor seating and retail displays must maintain aesthetic compatibility with the surrounding area. Such items should also be temporary, so that in an event of an emergency, they can be easily and quickly removed. It is always a good idea to get know your neighbor and what they might be planning to look for ideas on how to collaborate.

Safety & ADA Requirements

Sidewalks and Public Rights of Way must maintain an adequate pedestrian flow of at least 44" from fire hydrants, crosswalks, public utility access and building entrances. A 15' Fire lane must be maintained at all times.

Sidewalk & Parklet Requirements

Width shall not exceed the frontage of the business property without written permission from the adjacent property. Adjacent properties are strongly encouraged to coordinate. Only businesses that are serving alcohol are required to have defined barriers. A 44" pedestrian path should be maintained at all times. Each business is responsible for ensuring compliance with fire/emergency access and ADA requirements.

Temporary Structures & Signage

Temporary structure such as umbrellas, planters or temporary barriers are allowed, but shall not be permanently affixed to public property. Such items shall be properly weighted and cannot be more than 80 inches above the sidewalk. Space heaters are permitted as long as they are at least 2 feet away from any flammable materials. 10 x 10 tents are allowed on Main Street and if used must have no less than 50lbs of weight per leg and should be included with your site map as part of the participation form. Outdoor cooking is not permitted. Coolers or other displays may be allowed but must be easily movable and follow health guidelines for distribution.

An example of additional signage should be included on the Participation Form. Can't participate or not open? Be a good neighbor and post signage of how patrons can support your business or when you will be back. This helps make business districts more vibrant.

Deliveries, Set Up & Break Down

We want you to be able to get your products to your business. Deliveries will be allowed on Main Street until 7 a.m. After 7 a.m., we will help facilitate these on Swede Alley and Brew Pub Parking Lot. Remember, double parking frustrates customers and creates dangerous pedestrian situations. When in doubt, pull to the curb.

Construction & Weather Impacts

City Hall is working to make business districts aware of construction impacts in business districts. If you have

questions about construction impacts, please call City Building Official's office at 435.645.5100.

In Park City, weather can quickly change. Park City Main Street Car Fee Sundays will be held rain or shine. Too hot outside, encourage customers to come in and cool off inside. If it's raining (or snowing in July – hey it happens every few years), you can choose whether you stay inside or participate outdoors, as long as you have completed the Participation Form.

Trash, Recycling & Waste

Park City has the most ambitious climate goals in North America. Please consider your impact on our environment. All businesses are responsible for their own trash, waste and recycling. The City will continue to maintain facilities on public, City owned properties. See an issue? Please contact buildingweb@parkcity.org.

Socially Responsible Distancing & Cleaning Common Surfaces

Individual businesses are responsible for complying with Summit County Health orders and regulations. Face coverings may be required by businesses at indoor facilities and in spaces where physical distancing cannot be maintained. These rules are likely to change during the program. Paramount to our safety and staying open is taking responsibility for socially distancing. This includes wearing face coverings, sanitizing hands and staying home if you don't feel well.

Businesses are responsible for sanitizing any temporary tables, chairs, seating areas or other outdoor surfaces. Businesses are also responsible for ensuring they follow proper business protocols. Each business is responsible for activating the spaces described in this section with temporary materials such as tables, chairs, umbrellas, and visual/physical barrier materials as needed per site specific conditions. Maintenance (daily upkeep, litter cleanup, etc.) associated with business operations are also the business's responsibility.

The City has stepped up additional cleaning measures to serve our community. More than 50 hand sanitizing stations have been placed around Main Street and Park City. Look for these around public parks, common areas and on light poles.

Alcoholic Beverages Only Where Expressly Permitted

Individual businesses are responsible for adding any temporary space to their premises for purposes of DABC licensing. Proper DABC permits are required to serve alcohol outdoors. Please contact beth.bynan@parkcity.org if you need local consent. All restaurants are required to follow DABC rules and regulations.

Any business in the Main Street Business Improvement District interested in participating must submit a completed Participation Form that includes a Park City Business License Number, to jenny.diersen@parkcity.org for review no later than the Thursday at noon each week for participation by the weekend (3 days before Sunday). City staff will approve or respond with any concerns that need to be addressed by Friday morning. As long as plans remain the same, businesses do not need to reapply each week.

Transportation

Park City has aggressive transportation goals to reduce use of single occupant cars. It's important to know how to get around. We need our community, businesses and visitors to all lead by example.

Free Transit

Free Park City Transit is available throughout Summit County. Check out [transit schedule](#) and all the things transit is doing to maintain social distancing, while we do the driving for you! Park at Park City High School located on Kearns Blvd and take free Park City Transit to Main Street.

Bike & Walk

Many businesses are within just feet of more than 100 miles of trails and are in close distance from neighborhoods and lodging properties. Look for e-bike stations or ride your own to one of our many bike racks (remember to bring your lock!).

Staff & Employee Parking

Employees should not park in residential areas. They should also be encouraged to carpool and park in areas further away from businesses. This leaves parking in front of businesses for the customer. For example, in the Main Street area, employees should park in China Bridge, to leave parking on Swede Alley and Main Street available to customers. Furthermore, instead of cutting through residential areas to get to work, use main roads that enter the commercial districts. Rates can vary depending on seasonality or events. Time limits and parking in residential areas will be enforced.

Customer Parking

Customers are welcome to park in various public and private parking areas, which in some cases may include on street parking. Rates can vary depending on seasonality or events. Parking is currently priced at \$5/hr, max of \$18, first hour free from 10 a.m. to 5 p.m. At 5 p.m. rates go to \$3/hr, max \$18 on Sundays. Time limits and parking in residential areas will be enforced. Additional ADA spaces are also available and clearly marked areas during Main Street Car Free Sundays.

Residential Areas

Many business districts are close to residential areas. At all costs, please avoid cutting through residential areas and take main roadways when driving to and from business districts. Prioritize parking in public parking and private parking garages before you consider parking on-street in a residential area. Some residential areas require proper permitting, which will be enforced. Being a good neighbor, whether you are a local, business or visitor is incredibly important... and it is just a simple act of respect.

Drop and Load & Curbside Pick Up

The City will continue to designate curb space for Drop & Load and Curbside Pick Up. This will help facilitate business for those customers who are at risk and still want to support local businesses. The driver must pull to the curb and stay in their vehicle. Remember, turn your key and be idle free.

Frequent Questions

Do I need a permit or approval to add restaurant tables to the sidewalk in front of my business?

You need to complete a Participation Form and follow the guidelines outlined in this document to participate.

Do I need to get approval to take over a public parking space in front of my business?

Yes. Please complete the Participation Form and follow guidelines as outlined in this document.

What are the hours of operation allowed on sidewalks, parklets?

The permitted business hours of operation for indoor portions of your business should remain consistent with your business's typical hours of operations. If you are expanding operations outdoors, all temporary items must be clear of streets and sidewalks no later than 10 p.m. Please be mindful of your neighbors and any additional noise that may be generated. All outdoor temporary structures must be removed each night for public safety and so that the City can perform street cleaning and maintenance.

What are the hours of the Main Street closure?

Main Street will close at 7 a.m. to cars and reopen at 10 p.m. Heber Avenue will remain open to traffic. Parking on Heber Avenue will be for Drop and Load/Curbside pickup.

Can vehicles park on Main Street before 7 a.m.?

Yes, vehicles can park on Main Street until 7 a.m. If a car remains after that time, the City will work to find the owner. If the owner cannot be found, the car will be relocated (customer required to pay relocation fee).

Can a restaurant serve alcohol on the sidewalk and street?

Yes, but you need to follow requirements by the UDABC and City. Please reach out if you have questions.

How will curbside pick-up work on Sundays?

The City has designated curbside pickup/ drop and load locations for Sundays. At these locations, the drivers can leave their car to pick up meals or products at a store for up to 15 minutes. Please remember - be idle free and please pull to curb as to not block traffic. Locations include Heber Avenue, Brew Pub Parking Lot (north, closest section to Brew Pub restaurant), Bob Wells (south section closest to parking deck) and Swede Alley parallel spaces behind Post Office.

Do I need to begin operations on Sunday, June 6 to be able to participate?

No, businesses can determine week by week if they would like to operate either on the sidewalk or street each Sunday. To participate, you must complete the Participation Form and receive approval from the Special Events Department.

Can I allow another business from outside the BID to utilize my sidewalk or space on Main Street?

Only businesses with licenses in the BID can utilize outdoor areas. No additional vendors are permitted. We want businesses to get creative, but businesses should 'stay in their lane' of business.

Can I allow a musician or artist to occupy my sidewalk or space on Main Street?

Yes. These uses can receive tips or be compensated by the merchant allowing the use of space. Music must remain within the noise allowance (65 decibels). Amplified music is not allowed. If you plan to have these types of activations, please include this on your participation form.

Can I use a 10 x 10 tent on Sundays?

Umbrellas are encouraged. 10 x 10 tents may be allowed. Umbrellas or tents need to be properly weighted and included in your site plan if being used.

How big is the parklet? Can I extend past the parklet?

Each parklet is about 10 feet wide. Please do not extend your business past this, as the 'center' of the street is used as an emergency access lane and pedestrian walking area.

Are bikes or skateboards allowed on the street?

Yes. We do ask that bikers and skate boarders slow their roll. Look for bike racks placed around Main Street to lock up your bike (remember your bike lock).

Park City Municipal Corporation

Participation Form

Main Street Car Free Sundays

Any business in the Park City Main Street Business District interested in participating in this program must complete a Participation Form, including the business license number, and submit to jenny.diersen@parkcity.org for review no later than the Thursday at noon each week for participation by the weekend (3 days in advance). City staff will approve participation or respond with concerns to be addressed by Friday evening. As long as plans remain the same, businesses do not need to reapply each week. Approval of participation is subject to the business's agreement to all terms and conditions of approval of the Special Event approval, the Guidelines and Regulations outlined in this document, and the provisions below.

Business ("Applicant") Name:

Park City Business License Number:

Business Address/Location:

What is your primary purpose of expanding your business?

Expanding Restaurant Seating

Customer Lounge

Expanding Retail Space – Sidewalk Sales etc...

Other Please Specify:

If you are participating below (north) of Heber, we will need to coordinate extension with Park Silly Sunday Market footprint.

Do you anticipate having any temporary structures outside? If so, describe and attach a site plan illustrating all temporary structures and locations. If you have questions, reach out to Jenny Diersen.

Do you anticipate having temporary signage? If so, include signs in the site plan or add separate attachment. Signs must be removed no later than 10 p.m. each Sunday. If you have questions, please reach out to Jenny Diersen.

By completing this Park City Municipal Corporation (Park City) form, Applicant acknowledges their responsibility to maintain ADA and fire/emergency access and acknowledges they are required to follow the Utah Leads Recovery Guidelines. Applicant is responsible for any modification to their DABC license(s) prior to selling alcoholic beverages. Additionally Applicant acknowledges that they have read the guidelines as outlined in this documents and will comply with them. Applicant has the right to use the expanded space pursuant to the approved Site Plan (Premise or Premises), also referred to as sidewalk or parklet unless otherwise delayed, suspended or terminated by Utah Leads Guidelines, Summit County health order(s) or City Council or their officials. Furthermore, Park City at any time in its sole discretion reserves the right to terminate, relocate or remove use of the sidewalk or parklet that:

- (i) creates an obstruction to, or causes congestion of, pedestrian or vehicular traffic due to existing conditions on the surrounding public right-of-way; or
- (ii) creates a danger to the health, safety or general welfare of the public; or
- (iii) fails to meet standards or Summit County health order(s) or guidelines; or
- (iv) if the City Council terminates the Special Event.

ACCEPT PREMISES AS IS/HOLD HARMLESS/INDEMNIFICATION. Applicant accepts the use of public property “as is” and without any warranties, express or implied, of fitness for particular purpose. Applicant shall inform the City of any dangerous condition if such develops during the program. Applicant covenants and agrees to defend, indemnify, and hold Park City, its officers, agents and employees harmless from all claims, loss, damage, injury, liability, or expense (including reasonable attorneys' fees and costs and court costs), statutory or otherwise arising out of or incurred in connection with (i) the use, operation, occupancy or existence of the Premises or the presence of visitors, or any other person, at the Premises during the Term, (ii) any activity, work or thing done or permitted or suffered by Applicant in or about the Premises, (iii) any acts, omissions or negligence of Applicant, any person claiming through Applicant, or the contractors, agents, employees, members of the public, invitees, or visitors of Applicant or any other such person (Applicant Party or Applicant Parties), (iv) any breach, violation or nonperformance by any Applicant Party of any provision of this form or of any law of any kind, to the full extent permitted by law and/or the Utah Governmental Immunity Act, including reasonable attorney’s fees, but excluding any liability resulting from negligence or intentional torts of Park City, its officers, employees or agents. Nothing herein shall be construed as a waiver of any of the rights or defenses under the Utah Governmental Immunity Act (Utah Code Sections 63G-7-101, et seq.), as amended. The obligations hereunder shall be determined under principles of tort law including, but not limited to, the Governmental Immunity Act. In case of an emergency including but not limited to a flood, storm drain, or utility, the structure may be removed or damaged by response teams at the cost of the Applicant.

Applicant is solely responsible for insurance the Premises for Public liability and property loss.

I declare under criminal penalty under the law of Utah that the information provided is true and correct and that I have the authority to sign this document. Signed on the ___ day of _____, 2021, at _____ (insert State and County here).

Printed name _____
