Welcome to Park City!

Welcome to Park City's FARE-FREE transit system. Skip traffic, save money, and enjoy free wifi as our buses get you where you need to go.

Health and Safety is Our Priority

Our system earned the American Public Transportation Association National Health & Safety Seal of Commitment. It means we're following official COVID-19 guidelines and working diligently to put health and safety first—yours AND our drivers'.

How You Can Help

1. **Do not ride transit** if you are experiencing symptoms of COVID-19.
2. **Visit our website** for the latest health and safety information.
3. **Board and exit** through the rear door only, unless you need the boarding ramp or bus to be lowered at the front door.
4. **Please follow all posted notices** and guidelines.

About This Guide

This guide contains information for **two different transit agencies**: Park City Transit and High Valley Transit. You're reading the Park City Transit section of the guide right now. For High Valley Transit info, flip to the middle of the booklet. Use the Regional Transit Map on the opposite page to learn more about how both systems connect to provide fare-free transit in the Park City region. Please note, the information in this guide is subject to change without notice. Please visit agency websites for the most up-to-date info.

Plan Your Trip

Visit the Bus Tracker on our website at go.parkcity.org or open the myStop Mobile app and go to Trip Planning. Type in your starting point and destination to get step-by-step transit directions. If you prefer, you can also go directly to Google Maps and set the mode to 'transit' for step-by-step directions. Google Maps will provide service information for both Park City Transit and High Valley Transit bus routes.

Maps and Schedules

Use the Regional Transit Map or trip planning tools to find your route. Go to the individual route maps in this booklet for more info on hours of service, frequency, bus stop locations, and scheduled timepoints.

How to Ride

Before riding, please visit our website for the latest health and safety information. Please plan to arrive at the bus stop at least five minutes before the bus is scheduled to leave. When the bus arrives, check the exterior displays on the front or rear of the vehicle to make sure you're boarding the correct bus. These displays will list the route, direction of travel, important destinations, and the last stop on that route (e.g. a 1 Red bus traveling to Deer Valley Resort will display "Inbound - Main St - Deer Valley"). Enter and exit through the rear doors only, unless you need the ramp or bus to be lowered at the front door.

While on the Bus

Please allow others to exit before boarding and use handrails to steady yourself on the way to your seat. Please keep personal items with you at all times, and don't block aisles or exits. If you are sitting in a priority seating area, please vacate your seat for seniors and passengers with disabilities. For the safety of everyone on board, stand behind the white line and only talk to the driver while the bus is stopped. Buses will stop at all major transfer points, but you may need to request a stop at other locations. When you're ready to get off the bus, just pull the yellow cord above the window to request a stop.

For more information, please visit howtoride.parkcitytransit.org

Accessibility

All Park City Transit buses are ADA accessible and our drivers are trained to assist those with disabilities. All our vehicles are equipped with boarding ramps. Please indicate to the driver at the front door that you need the bus or ramp to be lowered.

Safe Haven Program

If you feel that you are in imminent danger, you may board a Park City Transit bus and ask a driver to contact the police for you.

Guaranteed Ride Home

If you live or work in Summit County you're eligible for our Guaranteed Ride Home (GRH) program. This program reimburses your cost for a ride home in the event you need to leave work unexpectedly or miss your ride home after working unexpected overtime. Other guidelines and requirements apply.

Park City Transit On-Demand

How Does On-Demand Work?

Passengers can request a ride via phone by dialing **(435) 640-7819**

Once a ride request is received, a Park City Transit vehicle will arrive no more than 15 minutes after the specified pick-up time. The driver will stop taking requests for same-day rides at 10 pm.*

Rides are completed on a time and space available basis, so wait times may vary slightly.

**To guarantee pickup within 15 minutes of your specified time, request your ride at least one hour in advance.*

Bikes on Park City Transit

Riding your bike is a convenient way to get to or from the bus stop. Every Park City Transit bus is equipped with a bike rack on the front of the vehicle that holds 2-3 bikes. Please note, the bike racks only accommodate standard tires, 2.4" or smaller. (No fat bike tires).

In the event that all exterior bike racks are in use, the bus driver may allow you to bring your bike inside the bus at his or her discretion. To ensure passenger safety, a **maximum** of three bikes are allowed inside the bus at all times.

Park City Transit Lost and Found

Park City Transit is not responsible for items left on the bus or at the bus stop. If you left an item behind, call us at (435) 615-5300 during business hours. You may also use KPCW's lost and found service to log your lost item or check to see if it has been found by someone else.

Everything you need to

the Wasatch Back.

highvalleytransit.org

High Valley Transit rider's guide.

Welcome! We're so glad you're here.

High Valley Transit is the Wasatch Back's public transit network. We connect Wasatch, Salt Lake and Summit counties with several public transit modes all powered by technology.

Micro

Micro, short for microtransit, is an on-demand shared ride service running throughout the Snyderville Basin that allows you to book rides minutes before you travel. It works like a minibus that comes to you — book your ride in the HVT app and one of our custom branded vans will come right to you to pick you up.

Fixed route buses

These are public transit buses that run throughout the region. Four run all day with wait times typically 15 minutes and three connect to the Basin with limited trips and stops.

Use the High Valley Transit mobile app to make the most of your time here.

If you're looking for the fastest, easiest way to get where you're going, we've got you covered.

The HVT app lets you:

- ✓ Plan your entire trip from start to finish — input your pickup and dropoff addresses and the app will tell you the fastest way to get where you're going (bus, Micro, or both).
- ✓ Get detailed instructions on how to get to a bus stop.
- ✓ View the real time location of your bus as it approaches.

Download the **High Valley Transit** app or call (435) 246-1538 to get started.
