I. Introduction.

The City seeks Respondents to print images of local artwork onto utility boxes throughout Park City. The selected Respondent will manage the production, logistics, and installation of printed artwork for selected utility boxes in coordination with City staff. The selected Respondent shall work with City staff on all matters of the project including budgetary considerations, project timelines, accessibility, obtaining required City, Rocky Mountain Power, County or State permits, as well as other items that pertain to the coordination of the project.

II. Scope of Project.

The City has released a Call for Artists to create artwork for utility boxes identified throughout the city, as reflected in **Exhibit “A”** attached hereto and incorporated herein. This is a community-based project in which many local artists and youth participate. Project goals include beautifying utility infrastructure around Park City while maintaining engineering and safety standards set by Rocky Mountain Power.

PCMC seeks a service provider to scan, size, print and install artwork onto utility boxes throughout town. The selected Service Provider will be responsible for verifying the size of each utility box and printing selected artwork onto them while upholding regulations in the Access Agreement. A successful Respondent should have prior experience in executing similar installation projects. The printed material should be suitable for high foot traffic areas and all weather conditions, and will need to withstand year-round weather conditions in Park City, Utah.

III. Contents of Proposal and Evaluation Criteria.

A. Required content and minimum qualifications.

The proposal must include:

- **Bio** (25%) – information and brief resume, focusing on the past three years. Include information about your business organizational structure related to the project.

- **Experience & References (25%)**– A statement detailing your experience in creating printed wraps. Respondents should include no less than two references including names, phone numbers, and emails.
- **Proposal (25%)** – Describe your proposal for this project. Explain the proposed timeline for installation (anticipate receiving artwork by July 15, 2023), functionality and maintenance of the proposed material (including maintenance and cleaning), budget, process, required certifications, and method to complete the project.
- **Budget (25%)**– Include a proposed budget of projected costs to be incurred by the service provider, including the performance of services specified, labor, travel, insurance, materials, permits, and any other costs.

Proposals will be evaluated on the criteria listed below. Proposals are limited to 10 pages.

If Respondent proposes to use a third party (subcontractor, sub-consultant, etc.) for completing all or a portion of the scope of work requirements, state the name and identify the portion of the scope of work to be completed by a third party.

B. Evaluation Criteria.

Each selection committee member shall use the evaluation criteria and percentage weights below to establish their own ranking of the Respondents. The committee shall then use these individual rankings to establish an aggregate ranking of all the accepted proposals. The Evaluation Criteria and Basis For Award are attached hereto as **Exhibit “B”** and incorporated herein.

General and Specialized Experience – (30%): (a) Respondent's ability, capacity, and skill to perform or provide the required services; (b) Respondent's demonstrated ability with respect to quality, availability, and adaptability of the supplies or contractual services; (c) Respondent's organizational and financial history.

The committee will select the Respondent which, in the committee's sole judgment, is best able to provide Utility Box Printing Services.

NOTE: Price may not be the sole deciding factor.

PCMC reserves the right to reject any and all proposals for any reason. Proposals lacking required information will not be considered. The award of a contract may be subject to approval by City Council.

IV. Government Records Access and Management Act.

All submittals will be treated as public records in accordance with the requirements of the Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code (“GRAMA”) unless otherwise designated by the Respondent pursuant to Utah Code §63G-2-309, as amended. The burden of claiming an exemption from disclosure shall rest solely with each Respondent. Respondent shall submit any materials for which Respondent claims a privilege from disclosure marked as “Confidential” and accompanied by a statement from Respondent supporting the exemption claim. PCMC shall make reasonable efforts to notify Respondent of any GRAMA requests for documents submitted under an exemption claim. Respondent waives any claims against PCMC related to disclosure of any materials pursuant to GRAMA. Please note the following:

- a. Respondent must not stamp all materials confidential. Only those materials for which a claim of confidentiality can be made under GRAMA, such as trade secrets, pricing, non-public financial information, etc., should be stamped.
- b. Respondent must submit a letter stating the reasons for the claim of confidentiality for every type of information that is stamped “Confidential.” Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury. Failure to timely submit a written basis for a claim of “Confidential” may result in a waiver of an exemption from disclosure under GRAMA.
- c. For convenience, a Business Confidentiality Request Form (BCR Form) is attached to this RFP as **Attachment 1**. The Respondent must submit a completed BCR Form at the time of submission of any proposal.

V. Ethics.

By submission of a proposal, Respondent represents and agrees to the following ethical standards:

REPRESENTATION REGARDING ETHICAL STANDARDS: Respondent represents that it has not: (1) provided an illegal gift or payoff to a city officer or employee or former city officer or employee, or his or her relative or business entity; (2) retained any person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, or brokerage or contingent fee, other than bona fide employees of bona fide commercial selling agencies for the purpose of securing business; (3) knowingly breached any of the ethical standards set forth in the City's conflict of interest ordinance, Chapter 3.1 of the Park City Code; or (4) knowingly influenced, and hereby promises that it will not knowingly influence, a city officer or employee or former city officer or employee to breach any of the ethical standards set forth in the City's conflict of interest ordinance, Chapter 3.1 of the Park City Code.

VI. Selection Process.

Proposals will be evaluated on the criteria listed in Section IV, Content of Proposal, above.

The selection process will proceed on the following anticipated schedule:

- a. Monday, July 10, 2023 - A selection committee comprised of qualified persons, which may include City staff or representatives from the Public Art Advisory Board, and other public and private stakeholders, will open, review and evaluate all proposals.
- b. By Thursday, July 13, 2023 - The selection committee may conduct interviews with the highest-ranked Respondents. If applicable, interview requirements will be provided to those Respondents selected for further consideration.
- c. Friday, July 14, 2023 - Final selection of the top-ranked proposal and preparation of the contract.
- d. Monday, July 17, 2023 – Estimated contract execution.

Following completion of the evaluation and establishment of the ranking, negotiations for contract purposes may be initiated with the top-ranked Respondent. In the event that an agreement is not reached, PCMC may enter into negotiations with the next highest-ranked Respondent.

VII. PCMC Standard Agreement Required.

- a. The successful Respondent will be required to enter into PCMC'S standard Service Provider/Professional Services Agreement – Art Minor. A form of the standard agreement is attached to this RFP as **Exhibit "C"** and incorporated herein.
- b. **ANY REQUEST FOR CHANGES RELATED TO INDEMNIFICATION OR INSURANCE PROVISIONS CONTAINED IN PCMC'S STANDARD AGREEMENT MUST BE SUBMITTED NO LATER THAN THE PROPOSAL/SUBMITTAL DEADLINE. ANY REQUESTED CHANGES TO PCMC'S STANDARD INSURANCE AND INDEMNIFICATION PROVISIONS MAY BE APPROVED IN THE SOLE DISCRETION OF PCMC.**

A Respondent must be authorized to do business in Utah at the time of contract execution. If Respondent's address is within the 84060 zip code, a valid PCMC business license is required.

VIII. General Provisions.

- a. No Representations or Warranty. It is the responsibility of each Respondent to carefully examine this RFP and evaluate all of the instructions, circumstances and conditions which may affect any proposal. Failure to examine and review the RFP and other relevant documents or information will not relieve Respondent from complying fully with the requirements of this RFP. Respondent's use of the information contained in the RFP is at Respondent's own risk and no representation or warranty is made by PCMC regarding the materials in the RFP.
- b. Cost of Developing Proposals. All costs related to the preparation of the proposals and any related activities are the sole responsibility of the Respondent. PCMC assumes no liability for any costs incurred by Respondents throughout the entire selection process.
- c. Equal Opportunity. PCMC will make every effort to ensure that all Respondents are treated fairly and equally throughout the advertisement, review and selection process. The procedures established herein are designed to give all parties reasonable access to the same basic information.

- d. Proposal Ownership. All proposals, including attachments, supplementary materials, addenda, etc., will become the property of PCMC and will not be returned to the Respondent.
- e. Modification of RFP. PCMC reserves the right to cancel or modify the terms of this RFP and/or the project at any time and for any reason preceding the contract execution. PCMC will provide written notice to Respondents of any cancellation and/or modification.
- f. Financial Responsibility. No proposal will be accepted from, or contract awarded to, any person, firm or corporation that is in arrears to PCMC, upon debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to the PCMC, or that may be deemed irresponsible or unreliable by PCMC. Respondents may be required to submit satisfactory evidence demonstrating the necessary financial resources to perform and complete the work outlined in this RFP.
- g. Local Businesses. PCMC's policy is to make reasonable attempts to support local businesses by purchasing goods and services through local vendors and service providers, subject to Federal, State, and local procurement laws.

The burden of claiming an exemption from disclosure rests solely with Service Provider. Any materials for which Service Provider claims a privilege from disclosure based on business confidentiality shall be submitted marked as "confidential - business confidentiality" and accompanied by a concise statement from Service Provider of reasons supporting its claim of business confidentiality. Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury. The Service Provider expressly agrees that the indemnification provided herein constitutes the Service Provider's limited waiver of immunity as an employer under Utah Code Section 34A-2-105; provided, however, this waiver shall apply only to the extent an employee of Service Provider claims or recovers compensation from the City for a loss or injury that Service Provider would be obligated to indemnify the City for under this Agreement.
