

Park City Summer Day Camp Parent Guide 2026

SUPERVISION & CAMP STAFF

All day camp staffers are enthusiastic, talented, fun, and caring individuals. They have been selected on the basis of their skills, experience, ability to serve as role models, and their genuine desire to work with the children. The entire staff have finished a training session designed for Summer Day Camp, completed a background check, and most are certified in First Aid and CPR. Throughout the summer, camp staff enjoys hearing feedback from parents and campers. Positive feedback can be a morale booster and sharing concerns helps our staff to excel and grow.

RELEASE AND MEDICAL HISTORY FORM

A Release form and Medical History form *must be on file in our office* before your child can participate in our program. Both of these forms are included in this email, or at the camp building when dropping off your child. Please print this form and bring that with you to the first day of camp.

AGE REQUIREMENTS

Day Camp is available only to children 6-12 years old. The Day Camp staff has the right to determine whether or not a camper is developmentally prepared/able to participate in any aspect of the program and, if necessary, suggest another program. Age requirements will be strictly enforced.

CAMP POLICIES & REGULATIONS

1. Knives, weapons, and fireworks are not allowed at day camp. Violation of this policy will result in automatic suspension from the program.
2. Refunds for daily and weekly registrations are given with 5 business days prior notice. No refunds will be given with less than 5 business day's notice. Refunds must be authorized by a camp Director or Supervisor. Full summer fees are non-refundable.
3. **No refunds** will be made if a camper does not attend b/c of illness, injury, or homesickness. **No refunds** will be issued if a camper is sent home early.

CENTER HOURS

Please note that Park City Summer Day Camp will take place in City Park in 2026 with Miner's Hospital serving as our home base. Miner's Hospital will be open and offer staff supervision between the hours of 8:15am and 5:30pm. Camp activities will take place between 10:00am and 4:00pm. **On field trip days campers must arrive no later than 9:40am. On pool days campers must arrive no later than 9:45am. This policy is in place because we leave the camp building no later than 10am and have strict time restrictions.** You must pick up your camper by 5:30 pm, if your camper stays past this time, your account will be charged \$1 per minute past pick-up hours.

MEALS/SNACKS

Each child must bring an ample and nutritious, **non-microwaveable** "sack" lunch every day - these kids get hungry! An afternoon snack will be provided daily by the camp. Campers are not allowed to use vending machines or bring money unless otherwise notified by the director.

WEATHER

Camp will operate rain or shine! Activities may be altered for your child's safety. Please send your camper in appropriate clothing and gear. Closed-toe shoes are required daily!

OTHER

Park City Recreation reserves the right to cancel, modify, or limit enrollment in this program because of building capacity or any unforeseen circumstances.

ADDITIONAL ACTIVITIES

Swim, tennis, skateboard, & golf lesson participants under the age of 8 should bring a booster seat to camp in order to transport them safely under Utah state law in our camp van.

Parents – please remind your child of the additional activities they will be participating in that day. We will take roll before leaving the camp building, but it helps for a child to know they will need to be prepared to leave camp for a certain activity.

Statement of Equity and Belonging

Rules of acceptance and participation are the same for everyone without regard to race, religion, socioeconomic background, ethnicity, national origin, gender, sexuality, or ability.
