Park City Municipal Corporation (“PCMC”), located in Summit County, Utah, is soliciting written Proposals from qualified firms (“Respondents”) to provide excavation and water system repair services.

This is a solicitation for general repair services and is not related to any specific project. PCMC’s approach will be to select one or more Respondents that may be utilized on small excavation and water system repairs. Larger individually engineered and planned projects will be subject to individual procurement consistent with State and City procurement rules.

The PCMC Public Utilities Department encourages excavator companies interested in providing services to PCMC to submit a Proposal per the following information.

### 1.1 PCMC Public Utilities

PCMC Public Utilities provides culinary water to approximately 5,600 residential and business connections within Park City via a water treatment, supply, and distribution system. PCMC maintains over 140 miles of pipeline, 5600 meter, 5000 meter pits, and 5000 service lines.

Additional information about PCMC can be found on its website at: [www.parkcity.org](http://www.parkcity.org).

Contractors must be available for emergency work to submit a Proposal.

Work shall comply with [Utah Division of Drinking Water regulations](#), American Water Works Association standard practices, [Park City Water Standard Plans](#), and Park City [Design Standards Construction Specifications and Standard Drawings](#).

The burden of claiming an exemption from disclosure shall rest solely with each Respondent. Respondent shall submit any materials for which Respondent claims a privilege from disclosure marked as "Confidential" and accompanied by a statement from Respondent supporting the exemption claim. PCMC shall make reasonable efforts to notify Respondent of any GRAMA requests for documents submitted under an exemption claim. Respondent waives any claims against PCMC related to disclosure of any materials pursuant to GRAMA. Please note the following:

1. Respondent must not stamp all materials confidential. Only those materials for which a claim of confidentiality can be made under GRAMA, such as trade secrets, pricing, non-public financial information, etc., should be stamped.
2. Respondent must submit a letter stating the reasons for the claim of confidentiality for every type of information that is stamped "Confidential." Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury. Failure to timely submit a written basis for a claim of "Confidential" may result in a waiver of an exemption from disclosure under GRAMA.
3. For convenience, a Business Confidentiality Request Form ("BCR Form") is attached to this RFP as **Attachment 1**. Respondent must submit a completed BCR Form at the time of submission of any proposal.

### B. Ethics.

officer or employee, or his or her relative or business entity; (2) retained any person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, or brokerage or contingent fee, other than bona fide employees of bona fide commercial selling agencies for the purpose of securing business; (3) knowingly breached any of the ethical standards set forth in PCMC's conflict of interest ordinance, Title 3, Chapter 1 of the Park City Code; or (4) knowingly influenced, and hereby promises that it will not knowingly influence, a PCMC officer or employee or former PCMC officer or employee to breach any of the ethical standards set forth in PCMC's conflict of interest ordinance, Title 3, Chapter 1 of the Park City Code.

**C. No Representations or Warranty.**

It is the responsibility of each Respondent to carefully examine this RFP and evaluate all of the instructions, circumstances and conditions which may affect any proposal. Failure to examine and review the RFP and other relevant documents or information will not relieve Respondent from complying fully with the requirements of this RFP. Respondent's use of the information contained in the RFP is at Respondent's own risk and no representation or warranty is made by PCMC regarding the materials in the RFP.

**D. Cost of Developing Proposals.**

All costs related to the preparation of the proposals and any related activities are the sole responsibility of the Respondent. PCMC assumes no liability for any costs incurred by Respondents throughout the entire selection process.

PCMC will make every effort to ensure that all Respondents are treated fairly and equally throughout the advertisement, review and selection process. The procedures established herein are designed to give all parties reasonable access to the same basic information.

**F. Proposal Ownership.**

All proposals, including attachments, supplementary materials, addenda, etc., will become the property of PCMC and will not be returned to the Respondent.

PCMC reserves the right to cancel or modify the terms of this RFP and/or the project at any time and for any reason preceding the contract execution. PCMC will provide written notice to Respondents of any cancellation and/or modification.

**H. Financial Responsibility.**

No proposal will be accepted from, or contract awarded to, any person, firm or corporation that is in arrears to PCMC, upon debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to the PCMC, or that may be deemed irresponsible or unreliable by PCMC. Respondents may be required to submit satisfactory evidence demonstrating the necessary financial resources to perform and complete the work outlined in this RFP.

OPTIONAL: PCMC may at its sole option extend the term of this Agreement for [insert number] additional period(s) of [insert “year(s)” “month(s)” or other time period] each by notifying Service Provider in writing at least thirty days prior to the expiration of this Agreement.

#### ARTICLE 3 – COMPENSATION, INVOICING, AND PAYMENT.

In the absence of a Schedule B, any compensation for extra work shall be determined based on a mutually agreed-upon written agreement between both parties.

- B. Invoicing and Payment. Service Provider shall invoice PCMC on a monthly basis for services completed during that period. Service Provider shall be responsible for the quality of all services performed by its employees, agents, subcontractors, and all other persons (collectively, “Subcontractors”) performing any services under this Agreement. PCMC reserves the right to initiate an audit of the Service Provider's activities concerning this Agreement, at the expense of PCMC, utilizing an auditor selected by PCMC.

- C. Government Records Access and Management Act. PCMC is subject to the requirements of the Government Records Access and Management Act, Title 63G, Chapter 2 of the Utah Code ("**GRAMA**"). All materials submitted by Service Provider related to this Agreement are subject to disclosure unless the materials are exempt from disclosure under GRAMA. The burden of claiming an exemption from disclosure rests solely with Service Provider. Any materials for which Service Provider claims an exemption from disclosure based on business confidentiality as provided in Utah Code § 63G-2-309 (or successor provision) must be marked as "Confidential" and accompanied at the time of submission by a statement from Service Provider explaining the basis for the claim. Generally, GRAMA only protects against the disclosure of trade secrets or commercial information that could reasonably be expected to result in unfair competitive injury. PCMC will make reasonable efforts to notify Service Provider of any requests made for disclosure of documents submitted under a claim of confidentiality. Service Provider specifically waives any claims against PCMC related to disclosure of any materials pursuant to GRAMA.

#### ARTICLE 6 – RELATIONSHIP OF PARTIES.

- A. Independent Contractor. The parties intend that Service Provider is an independent contractor and not an employee of PCMC. Except as specifically provided in this Agreement, the parties intend that Service Provider has no authority to act on behalf of PCMC.
- B. Subcontractor Relationship. The Service Provider shall have full control and authority over performance and activities of its Subcontractors throughout the execution of this Agreement. It is the sole responsibility of Service Provider to ensure that its Subcontractors adhere to the terms and conditions outlined in this Agreement. #### ARTICLE 7 – INDEMNIFICATION.

Definitions. In this Agreement, the following definitions apply:

- (1) **“Indemnifiable Losses”** means the aggregate of Losses and Litigation Expenses.
- (2) **“Litigation Expense”** means any reasonable out-of-pocket expense incurred in defending a Proceeding or in any related investigation or negotiation, including court filing fees, court costs, arbitration fees, witness fees, and attorneys’ and other professionals’ fees and disbursements.
- (3) **“Loss”** means any amount awarded in, or paid in settlement of, any Proceeding, including any interest but excluding any Litigation Expenses.
- (4) **“Proceeding”** means any investigation, claim, judicial, administrative, or arbitration action or lawsuit, or other cause of action of every kind or character, brought by third parties against PCMC, its agents, employees, or officers, that arises out of this Agreement or the performance of this Agreement by Service Provider or its Subcontractors or subconsultants of any tier, or anyone acting under Service Provider’s direction or control, including after the expiration or termination of this Agreement.

Indemnification. Service Provider shall indemnify PCMC and its agents, employees, and officers against all Indemnifiable Losses arising out of a Proceeding, except to the extent the Indemnifiable Losses were caused by the negligence or willful misconduct of PCMC.

Obligation to Defend. Service Provider shall, at its sole cost and expense, defend PCMC and its agents, employees, and officers from and against all Proceedings, provided that Service Provider is not required to defend PCMC from any Proceeding arising from the sole negligence of PCMC or its agents, employees, or officers.

Tender. Service Provider’s obligation to defend will arise upon PCMC’s tender of defense to Service Provider in writing. If PCMC fails to timely notify Service Provider of a Proceeding, Service Provider will be relieved of its indemnification obligations to the extent that Service Provider was prejudiced by that failure. Upon receipt of PCMC’s tender of defense, if Service Provider does not promptly notify PCMC of its acceptance of the defense and thereafter duly and diligently defend PCMC and its agents, employees, and officers, then Service Provider shall pay and be liable for the reasonable costs, expenses, and attorneys’ fees incurred in defending the Proceeding and enforcing this provision.

Legal Counsel. To assume the defense, Service Provider must notify PCMC of their intent to do so. Promptly thereafter, Service Provider shall retain independent legal counsel that is reasonably acceptable to PCMC.

Settlement. After Service Provider assumes the defense of a Proceeding, Service Provider may contest, pay, or settle the Proceeding without the consent of PCMC only if that

settlement (1) does not entail any admission on the part of PCMC that it violated any law or infringed the rights of any person, (2) provides as the claimant's sole relief monetary damages that are paid in full by Service Provider, and (3) requires that the claimant release PCMC and its agents, employees, and officers from all liability alleged in the Proceeding.

Waiver. Service Provider expressly agrees that the indemnification provision herein constitutes the Service Provider's waiver of immunity under Utah Code § 34A-2-105 for the purposes of this Agreement. This waiver has been mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of this Agreement. No liability shall attach to PCMC by reason of entering into this Agreement except as expressly provided herein.

No Limitation. The indemnification obligations of this Agreement shall not be reduced by a limitation on the amount or type of damages, compensation, or benefits payable by or for the Service Provider or Subcontractor under workers' compensation acts, disability benefits acts, or other employee benefit acts.

Interpretation. The parties intend that the indemnity and defense provisions in this Article shall be interpreted so as to be enforceable to the fullest extent permitted by law, but nothing herein shall be interpreted to violate public policy.

Environmental Indemnity. Service Provider shall indemnify PCMC, its agents, employees, and officers for any Indemnifiable Losses from a Proceeding arising out of Service Provider's violation of federal, state, or local environmental laws or regulations, and shall include but not be limited to all cleanup and remedial costs, diminution in value of property, and any fines or fees imposed as a result.

## **ARTICLE 8 – INSURANCE.**

At its own cost and expense, Service Provider shall maintain the following mandatory insurance coverage to protect against claims for injuries to persons or property damage that may arise from or relate to the performance of this Agreement by Service Provider, its agents, representatives, employees, or Subcontractors for the entire duration of this Agreement or for such longer period of time as set forth below. Prior to commencing any work, Service Provider shall furnish a certificate of insurance as evidence of the requisite coverage. The certificate of insurance must include endorsements for additional insured, waiver of subrogation, primary and non-contributory status, and completed operations.

- A. Commercial General Liability Insurance. Service Provider shall maintain commercial general liability insurance on a primary and non-contributory basis in comparison to all other insurance, including PCMC's own policies of insurance, for all claims against PCMC. The policy must be written on an occurrence basis with limits not less than \$1,000,000 per occurrence and \$3,000,000 aggregate for personal injury and property

damage. Upon request of PCMC, Service Provider must increase the policy limits to at least the amount of the limitation of judgments described in Utah Code § 63G-7-604, the Governmental Immunity Act of Utah (or successor provision), as calculated by the state risk manager every two years and stated in Utah Admin. Code R37-4-3 (or successor provision).

- B. Automobile Liability Coverage. Service Provider shall maintain automobile liability insurance with a combined single limit of not less than \$2,000,000 per accident for bodily injury and property damage arising out of the ownership, maintenance, and use of owned, hired, and non-owned motor vehicles. This policy must not contain any exclusion or limitation with respect to loading or unloading of a covered vehicle.
- C. Professional Liability Insurance. [Delete if NOT applicable] Service Provider shall maintain professional liability insurance with annual limits not less than \$1,000,000 per occurrence. If written on a claims-made basis, Service Provider shall maintain professional liability insurance coverage meeting these requirements for the applicable period of statutory limitation of claims (or statute of repose, if applicable) after completion of the Scope of Services or termination of this Agreement.
- D. Workers' Compensation Insurance and Employer's Liability. Service Provider shall maintain workers' compensation insurance with limits not less than the amount required by statute, and employer's liability insurance limits of at least \$1,000,000 each accident, \$1,000,000 for bodily injury by accident, and \$1,000,000 each employee for injury by disease. The workers' compensation policy must be endorsed with a waiver of subrogation in favor of "Park City Municipal Corporation" for all work performed by the Service Provider, its employees, agents, and Subcontractors.
- E. Umbrella/Excess Coverage. The insurance limits required by this section may be met by either providing a primary policy or in combination with umbrella / excess liability policy(ies). To the extent that umbrella/excess coverage is used to satisfy the limits of coverage required hereunder, the terms of such coverage must be following form to, or otherwise at least as broad as, the primary underlying coverage, including amending the "other insurance" provisions as required so as to provide additional insured coverage on a primary and non-contributory basis, and subject to vertical exhaustion before any other primary, umbrella/excess, or any other insurance obtained by the additional insureds will be triggered.
- F. Insured Parties. Each policy and all renewals or replacements, except those policies for Professional Liability, and Workers Compensation and Employer's Liability, must name PCMC (and its officers, agents, and employees) as additional insureds on a primary and non-contributory basis with respect to liability arising out of work, operations, and completed operations performed by or on behalf of Service Provider.

- G. Waiver of Subrogation. Service Provider waives all rights against PCMC and any other additional insureds for recovery of any loss or damages to the extent these damages are covered by any of the insurance policies required under this Agreement. Service Provider shall cause each policy to be endorsed with a waiver of subrogation in favor of PCMC for all work performed by Service Provider, its employees, agents, and Subcontractors.
- H. Quality of Insurance Companies. All required insurance policies must be issued by insurance companies qualified to do business in the state of Utah and listed on the United States Treasury Department's current Department of Treasury Fiscal Services List 570, or having a general policyholders rating of not less than "A-" in the most current available A.M. Best Co., Inc.'s, Best Insurance Report, or equivalent.
- I. Cancellation. Should any of Service Provider's required insurance policies under this Agreement be cancelled before the termination or completion of this Agreement, Service Provider must deliver notice to PCMC within 30 days of cancellation. PCMC may request and Service Provider must provide within 10 days certified copies of any required policies during the term of this Agreement.
- J. Additional Coverage. Notwithstanding anything to the contrary, if Service Provider has procured any insurance coverage or limits (either primary or on an excess basis) that exceed the minimum acceptable coverage or limits set forth in this Agreement, the broadest coverage and highest limits actually afforded under the applicable policy(ies) of insurance are the coverage and limits required by this Agreement and such coverage and limits must be provided in full to the additional insureds and indemnified parties under this Agreement. The parties expressly intend that the provisions in this Agreement will be construed as broadly as permitted to be construed by applicable law to afford the maximum insurance coverage available under Service Provider's insurance policies.
- K. No representation. In specifying minimum Service Provider's insurance requirements, PCMC does not represent that such insurance is adequate to protect Service Provider from loss, damage or liability arising from its work. Service Provider is solely responsible to inform itself of types or amounts of insurance it may need beyond these requirements to protect itself.

#### **ARTICLE 9 – NONDISCRIMINATION.**

- A. Nondiscrimination. Service Provider shall not discriminate against any employee or applicant for employment because of race; ethnicity; color; pregnancy, childbirth, or pregnancy-related conditions; age, if the individual is 40 years of age or older; religion; national origin; disability; sexual orientation; gender identity; or military status.

- (1) Policy. Service Provider shall implement an employment nondiscrimination policy, if Service Provider does not already have such a policy, to effectuate the prohibition in this section; and
- (2) Subcontractor Flow-Through. Service Provider shall incorporate the foregoing non-discrimination provisions in all subcontracts or assignments under this Agreement and take action as required to ensure full compliance with the provisions of this non-discrimination policy.

#### **ARTICLE 10 – ASSIGNMENT/SUBCONTRACTING.**

- A. Assignment. Service Provider shall not assign any portion of its performance under this Agreement without PCMC’s written consent. Consent must be sought in writing by the Service Provider not less than 30 days before the date of any proposed assignment. PCMC reserves the right to reject assignment without cause. Any purported transfer in violation of this section will be void.
- B. Subcontracting. Service Provider shall obtain advance written consent from PCMC for any Subcontractor not identified in the Scope of Services.

#### **ARTICLE 11 – TERMINATION.**

- A. Convenience. Either party may terminate this Agreement for any reason or no reason by giving the other party at least 30 days’ prior written notice. This Agreement will terminate at midnight at the end of the 30<sup>th</sup> day after that notice is effective. Service Provider must be paid its costs, including contract close-out costs, and profit on work performed up to the time of termination, according to the provisions of this Agreement.
- B. For Cause. If Service Provider fails to comply with any provision of this Agreement and fails to correct noncompliance within three days of having received written notice, PCMC may immediately terminate this Agreement for cause by providing a notice of termination to Service Provider.

#### **ARTICLE 13 – MISCELLANEOUS PROVISIONS.**

- A. Entire Agreement. This Agreement constitutes the entire understanding between the parties regarding the subject matter of this Agreement.
- B. Modification and Waiver. To be effective, any modification to this Agreement or to the Scope of Services must be in writing and signed by both parties. No waiver under this Agreement will be effective unless it is in writing and signed by the party granting the waiver (in the case of PCMC, by an individual authorized by PCMC to sign the waiver). A waiver granted on one occasion will not operate as a waiver on other occasions.

- C. Timely Performance. Service Provider shall complete the Scope of Services by any applicable deadline stated in this Agreement. Service Provider is liable for all reasonable damages to PCMC incurred as a result of Service Provider's failure to timely perform the Scope of Services required under this Agreement.
  
- D. Governing Law, Jurisdiction, Venue. Utah law governs all adversarial proceedings arising out of this Agreement or the subject matter of this Agreement. As the exclusive means of bringing adversarial proceedings to resolve any dispute arising out of this Agreement or the subject matter of this Agreement, a party may bring such a proceeding in courts of competent jurisdiction in Summit County, Utah.
  
- E. Severability. The parties acknowledge that if a dispute between the parties arises out of this Agreement or the subject matter of this Agreement, it would be consistent with the wishes of the parties for a court to interpret this Agreement as follows: (1) with respect to any provision that it holds to be unenforceable, by modifying that provision to the minimum extent necessary to make it enforceable or, if that modification is not permitted by law, by disregarding that provision; (2) if an unenforceable provision is modified or disregarded in accordance with this section, by holding that the rest of the Agreement will remain in effect as written; (3) by holding that any unenforceable provision will remain as written in any circumstances other than those in which the provision is held to be unenforceable; and (4) if modifying or disregarding the unenforceable provision would result in failure of an essential purpose of this Agreement, by holding the entire Agreement unenforceable.
  
- F. No Non-Party Rights. Nothing in this Agreement is intended to grant rights of any kind to any non-party or create third-party beneficiary rights of any kind.
  
- G. Force Majeure. For purposes of this Agreement, a Force Majeure Event means any event or circumstance, regardless of whether it was foreseeable, that was not caused by that party and that prevents a party from complying with any of its obligations under this Agreement, but a Force Majeure Event will not include any strike or labor unrest, an increase in prices, a change in general economic conditions, or a change of law. A party that is prevented by the occurrence of a Force Majeure Event from performing any one or more obligations under this Agreement will not be liable for any failure or delay in performing those obligations, on condition that the non-performing party uses reasonable efforts to perform. The non-performing party shall promptly notify the other party of the occurrence of a Force Majeure Event and its effect on performance. Thereafter, the nonperforming party shall update the other party as reasonably necessary regarding its performance. The nonperforming party shall use reasonable efforts to limit damages to the other party and to complete its full performance under this Agreement.

Each party is signing this Agreement on the date stated opposite that party's signature.
