

Drop and Load, Taxis, Rideshare, and Shuttles

Sundance Film Festival

January 23-February 2

Changes have been made to ensure pedestrian safety and reduce traffic circulating in the Old Town area during the Festival. **Outlined below are changes that will affect passenger drop-off, Thursday, January 23-Monday, January 27:**

- **NEW THIS YEAR** | Main Street – from Swede Alley to 7th Street, will be pedestrian-only beginning at noon each day.
- Swede Alley – accessible with resident access passes or ADA placards only, beginning at noon each day.
- Hillside Avenue – accessible with a resident access pass only.
- Park Avenue – one-way northbound (downhill).
- Drop and load zones/passenger drop-off are located in the South Marsac Lot and on Lower Main Street between 7th and 9th Streets (one-way, heading south).

Additional rules and guidelines:

- Please be respectful to our residential areas. There will be increased residential enforcement. Do not cut through residential areas to avoid traffic.
- Double parking is not allowed – pull to curb to load and unload.
- Drivers must remain in the vehicle at all times. Vehicles may not be left unattended in staging areas.
- Idling is prohibited. Park City has an anti-idling ordinance (Ordinance 09-10).

Read the Community Guide [here](#), and stay tuned for additional details.

A more detailed map of Lower Main Street traffic circulation is available on page two.
