

Park City Municipal Corporation is seeking bids for a new Electric Ice Resurfacers. Park City Municipal Corporation reserves the right to cancel or modify the terms of this RFP and/or the project at any time and for any reason preceding contract award and reserves the right to accept or reject any or all proposals submitted pursuant to this request for proposals. Park City will provide respondents written notice of any cancellation and/or modification.

For more information contact Jon Pistey at 435-615-5703 or email questions to jpistey@parkcity.org.

1. Please provide a bid based on the following vehicle features and specifications:
 - Wash Water System
 - Stainless Steel Components (i.e. conditioner, snow and water tanks, frame/chasis)
 - Speed Controlled Flood Water System
 - Laser Controlled Blade Adjustment
 - Front Dump Snow Tank
 - Automatic Snow Breaker
 - Reversible Augurs (please specify method/process for reversing augurs)
 - Board Brush
 - Tire Wash System
 - Back-up beeper
 - Auto-shut-off for filling water tanks
 - 2-year parts warranty
 - Minimum 5-year Battery warranty
 - Minimum 84" Blade Width
 - Minimum of 12 resurfacings on full charge, international size ice sheet
 - Full electrical and mechanical schematics

For items 2 and 3, please provide answers next to each listed item.

2. Please provide details on the following standard aspects of the resurfacers:
 - Water tank material, capacity and anticipated lifespan
 - Standard frame, conditioner, snow and water tank materials
 - Battery lifespan and current replacement cost. Please include current shipping costs as well for reference.

- Studs Per Tire
 - Turning radius
 - Vehicle length
 - Height of dump tank when supported on safety stands
 - Snow tank capacity
 - Battery capacity in Amp hours
 - Water fill hose diameter
 - Charger power requirements
3. Number of additional accessories included as standard with resurfacer purchase and cost for additional units of each:
- Board brush
 - Wash Water Impellers
 - Wash water squeegees
 - Felt Water Spreader Towels
 - Blades
 - Spare Tire

Please provide answers to the following questions:

4. How long will it take to deliver a resurfacer once the order is placed?
5. Please list any additional vehicle features, specifications or inclusions that you feel make the specified resurfacer superior to other available electric resurfacers.
6. Please provide at least three references for facilities that currently use this ice resurfacer:
7. Is on-site training included in the purchase price?
8. During what hours is technical support and part ordering available?
